

## Grants by Grant Cycle

## Grants matching your search for 2017-18 Household Hazardous Waste Discretionary Grants (HD29)

## Alameda County

**Grantee:**Alameda County**Amount Awarded:** \$49,000.00**Grantee Contact:** Bruce Fritz**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** Alameda County requests grant funding for collection and disposal of marine pyrotechnic signaling devices (marine flares). Marine flares will be collected from vessel owners during one or more days at one or more locations in the County. The marine flares will be packaged and shipped for destructive disposal in accordance with appropriate requirements. With over 6300 slips for marine vessels the county has a significant unmet need for flare disposal. Current vendor proposals indicate meeting the one time disposal need will cost in excess of \$50,000.

*Total Awarded for County: \$49,000.00*

## Butte County

**Grantee:**Town of Paradise**Amount Awarded:** \$50,000.00**Grantee Contact:** Ms Jennifer Arbuckle**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** This grant will expand Paradise's current HHW program by: 1) Expanding the facilities education and outreach efforts by starting a digital campaign to increase awareness and creating social media, T.V. and radio ads on HHW dangers, local disposal options, and highlighting the HHW facilities reuse program; manufacturing and maintaining HHW themed interactive /educational kiosks for the HHW Reuse and Educational Center; and to send direct mailers to residents with HHW facility operational information, including a transport and disposal guide and calendar. 2) Purchase additional shelving and signage. Shelves will be used to store and display reuseable items that are available to the public. Signage will display facility rules and guides 3) Purchase additional PPE for HHW facility employees, including gloves, Hazmat suits, boots, and vests. As well as provide annual 8 hr. HAZWOPER refresher training for HHW employees.

*Total Awarded for County: \$50,000.00*

## Del Norte County

**Grantee:**Yurok Tribe**Amount Awarded:** \$46,894.00**Grantee Contact:** Louisa McCovey**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** The Yurok Tribe's Environmental Program (YTEP) will conduct an extensive year of outreach to Yurok Indian Reservation (YIR) to educate tribal members about the issues and topics regarding Household Hazardous Waste. The outreach will include classroom visits to the 3 YIR schools, an aggressive social media presence on the YTEP social media outlets, through articles in the monthly Yurok Tribal Newsletter and by adding a much needed port to the YTEP webpage for community members to submit request to assist with disposal Household Hazardous Waste.

*Total Awarded for County: \$46,894.00*

## Glenn County

**Grantee:**Glenn County

**Amount Awarded:** \$75,000.00

**Grantee Contact:** Di Aulabaugh

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** Hosting multiple one day HHW temporary collection events in all three Glenn County jurisdictions will provide citizens with an opportunity to dispose of HHW in an environmentally safe manner free of charge. Currently our HHW program only accepts ABOP materials from the public. This funding will ensure the other, often more hazardous chemicals, will be properly disposed of.

*Total Awarded for County: \$75,000.00*

#### **Humboldt County**

**Grantee:**Humboldt Waste Management Authority

**Amount Awarded:** \$66,958.00

**Grantee Contact:** Mr Eric Keller-heckman

**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** CalRecycle has edited the following summary to reflect the approved grant project: Funds in the amount of \$19,708 will be utilized to continue the existing public education and outreach strategies that were implemented using HD-23 funding. These strategies describe and notify residents of HHW and universal waste collection activities and events, including current fluorescent bulb take back programs, drop off opportunities throughout the county, and gives us the ability to broaden the scope of view regarding our fixed household hazardous waste facility. Funds in the amount of \$44,250 will be used for reconstruction and resurfacing of the current floor at HWMA's Fixed Household Hazardous Waste Facility. Funds in the amount of \$3,000 will be used for all administration duties of the grant.

*Total Awarded for County: \$66,958.00*

#### **Lassen County**

**Grantee:**Lassen Regional Solid Waste Management Authority

**Amount Awarded:** \$42,981.00

**Grantee Contact:** Mrs. PAULA WESCH

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** LRSWMA will be using grant funds, if awarded, to hold a one-day HHW collection event for the residents of Lassen County and the City of Susanville. Lassen County has not had an HHW collection event since 2013 and that one was very poorly attended due to extreme weather. LRSWMA currently provides collection for e-waste, universal waste, antifreeze, batteries, used oil and filters and fluorescent tubes. There is a local retailer that provides paint take-back through PaintCare as well. The gap between the current HHW material collection and other HHW materials is very large! Lassen County residents need to have a way of disposing of banned chemicals and products and this grant can address this issue for us.

*Total Awarded for County: \$42,981.00*

#### **Los Angeles County**

**Grantee:**City of Glendale

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Doug Nickles

**CalRecycle Grant Manager:** Jill Hayashida

**Project Summary:** We would like to replace our blower system that is over 25 years old. Resurface the floors in our service bays. Reframe and replace the fire doors to our bulking room. Resurface and stripe our parking area and our drop off area of our HHW.

**Grantee:**City of Lancaster

**Amount Awarded:** \$4,339.00

**Grantee Contact:** David Jones

**CalRecycle Grant Manager:** Annabel Farrall

**Project Summary:** This project has two goals 1.) provide City staff with a safe working environment when handling HHW and 2) Purchase personal protective equipment for City of Lancaster staff.

*Total Awarded for County: \$54,339.00*

#### **Mariposa County**

**Grantee:**Mariposa County

**Amount Awarded:** \$37,500.00

**Grantee Contact:** Mr. Todd Storti

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** This grant request is to provide one-day HHW collection events to Mariposa County residents at two locations. Residents are provided the opportunity for dropping off universal wastes and used oil and filters at the County landfill and the Don Pedro Transfer Station during routine operating hours. Architectural paint drop-off at a local hardware store in Mariposa is also available. These wastes account for the majority of HHW available. Collection of other HHW is limited due to limited funds available. In addition, the grant will provide the annual HAZWOPER training for County solid waste staff.

*Total Awarded for County: \$37,500.00*

#### **Merced County**

**Grantee:**Merced County Regional Waste Management Authority

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Jennifer Halpin

**CalRecycle Grant Manager:** Ashraf Batavia

**Project Summary:** We will be holding one-day HHW Collection Events on the other side of the county, so that the HHW collection services will be more accessible to residents in the southern/western parts of the county. Public Education will be through newsprint and radio, while also reaching out to the Spanish-speaking population.

*Total Awarded for County: \$50,000.00*

#### **Nevada County**

**Grantee:**Town of Truckee

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Mrs. Erica Mertens

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** CalRecycle has edited the following summary to reflect the approved grant project: Project Description: The Town of Truckee will promote our HHW program with a multi-media public education campaign to inform the public of the best practices of HHW management. This will include specific materials often mishandled in the waste stream (propane cylinders, fluorescent bulbs, marine flares) as well as basic facility information, including days and hours of operation, common HHW materials accepted and options for reuse of these materials. The campaign may include print media, radio, television and possibly outdoor media to ensure all population segments of the Town are reached. The Town will also hold a minimum of three propane cylinder and one marine flare one-day collection events, promoting the use of refillable 1 lb. propane cylinders and the ReFuel Your Fun (RFYF) campaign as well as marine flare alternative "distress signals" by distributing coupons for up to \$20 off the purchase of a refillable 1 lb. propane cylinder or a distress signal in lieu of a disposable cylinder and marine flare respectively.

*Total Awarded for County: \$50,000.00*

#### **Sacramento County**

**Grantee:**City of Citrus Heights

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Shawn Campbell

**CalRecycle Grant Manager:** Ashraf Batavia

**Project Summary:** The City of Citrus Heights will conduct public outreach and education to residents about the importance of proper disposal of Household Hazardous Wastes (HHW), what constitutes HHW, and of the availability of temporary collection events for residents. This project represents an expansion of the public education and outreach programs associated with the previous collection events. The project will promote all 3 HHW events in 2018 and the first event of 2019.

*Total Awarded for County: \$50,000.00*

#### **San Diego County**

**Grantee:**City of Oceanside

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Ms. COLLEEN FOSTER

**CalRecycle Grant Manager:** Barbara Baker

**Project Summary:** The City of Oceanside's proposed project will expand education and outreach surrounding the City's Household Hazardous Waste services as well as Statewide Extended Producer Responsibility programs. In addition, the City will expand opportunities for the proper disposal of 1 lb propane gas cylinders and marine flares through special collection events. In addition the project will promote the use of refillable 1lb propane gas cylinders and marine flare alternative "distress signals" to reduce the waste generated by these materials.

**Grantee:**San Diego County

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Melissa Porter

**CalRecycle Grant Manager:** Barbara Baker

**Project Summary:** San Diego County - Department of Environmental Health proposes to utilize HD29 grant funds to sponsor two (2) medium sized one-day household hazardous waste (HHW) collection events in an under served area of the unincorporated County of San Diego. The events are proposed to take place in the rural mountain town of Julian or environs (over 23 miles from the nearest permanent HHW collection facility) and in the rural town of Alpine, which is over 28 miles from the nearest permanent HHW collection facility. The events are expected to serve approximately 200 and 350 residents, respectively.

*Total Awarded for County: \$100,000.00*

#### **San Francisco County**

**Grantee:**City and County of San Francisco

**Amount Awarded:** \$29,903.00

**Grantee Contact:** Mr. Huy Le

**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** San Francisco Department of the Environment request funding to host a pilot collection event for the collection and disposal of marine pyrotechnic signaling devices (marine flares) from San Francisco vessel owners. The marine flares will be packaged and shipped for destructive disposal in accordance with appropriate requirements. Funding will also be used to perform outreach efforts and gather data to better understand the scope of need for this service.

*Total Awarded for County: \$29,903.00*

#### San Joaquin County

**Grantee:**San Joaquin County

**Amount Awarded:** \$50,000.00

**Grantee Contact:** Ms. Rajony Chin

**CalRecycle Grant Manager:** Ashraf Batavia

**Project Summary:** The County seeks to increase HHW collection by holding two mobile collection events in remote and underserved areas, targeting senior, rural, and low income residents. Surveys taken at the County's HHW facility show that only 5% of the customers visiting the facility come from these areas, demonstrating the need to hold these events.

*Total Awarded for County: \$50,000.00*

#### Santa Clara County

**Grantee:**City of San Jose

**Amount Awarded:** \$47,525.00

**Grantee Contact:** Alana Rivadeneyra

**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** This Proposal provides HHW training for staff in the Illegal Dumping Rapid Response Team who collect and transport illegally dumped HHW in city streets and neighborhoods. It also pilots two public outreach tactics utilizing current partnerships with the San Jose Earthquakes soccer team and San Jose Sharks hockey team to message on HHW disposal and Program. The first tactic includes an English language advertisement video placed on YouTube and a Spanish language video placed on the Univision website. The second tactic is an HHW advertisement placed on shopping carts among thirty supermarkets throughout San Jose.

*Total Awarded for County: \$47,525.00*

#### Siskiyou County

**Grantee:**Siskiyou County

**Amount Awarded:** \$5,500.00

**Grantee Contact:** Arthur Boyd

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** CalRecycle has edited the following summary to reflect the approved grant project: Grant funds will be used to design and distribute public awareness materials including radio and newspaper advertisements both to notify and educate the public.

*Total Awarded for County: \$5,500.00*

#### Sonoma County

**Grantee:** Sonoma County Waste Management Agency

**Amount Awarded:** \$75,000.00

**Grantee Contact:** Courtney Scott

**CalRecycle Grant Manager:** Linda Dickinson

**Project Summary:** The Sonoma County Waste Management Agency (SCWMA) seeks to provide general HHW outreach and education for all HHW programs throughout the County, specifically relating to refillable 1 lb. propane cylinders. We wish to create a pilot project to 1) recruit more retail locations for sale, refill, and exchange of refillable 1 lb. cylinders, 2) install receptacles at outdoor recreation locations for the collection of disposable cylinders, and 3) provide temporary collection and incentive events for the public.

*Total Awarded for County: \$75,000.00*

#### **Tehama County**

**Grantee:** Tehama County Solid Waste Management Agency

**Amount Awarded:** \$75,000.00

**Grantee Contact:** Ms Rachel Ross

**CalRecycle Grant Manager:** Matthew Fong

**Project Summary:** The Agency will promote the existing HHW program of permanent collection, one day events, and reuse facility, in addition to retailer collections and curbside and retail batter collection programs, for the full grant term. Special emphasis will be on the new refillable 1lb propane gas cylinders to promote the local retailers who sell and refill them, as well as parks where there are new collection receptacles. Public education efforts will be broad and use a wide variety of tools, including press releases, articles, billboards, print ads, social media, truck signs and others. Additionally, the Agency will develop and install a new educational, hands-on exhibit in its mobile 4R Kids Exhibit that focuses on EPR programs for propane cylinders, paint, mercury thermostats, and other HHW products. Personnel will focus on retail sales and refilling of 1lb propane cylinders, and special collection events and locations for new collection for disposables, including seasonal collection events at local recreational parks. The increased use of refillable cylinders will be promoted through a variety of incentives, including coupons and select exchange events. Additionally, the Agency will expand the collection of reusable HHW for redistribution by purchasing a collection storage cabinet for the Corning HHWF, purchase PPE for HHWF operations, and fund annual 8-hour HAZWOPER refresher training for staff.

*Total Awarded for County: \$75,000.00*

#### **Ventura County**

**Grantee:** Ventura County

**Amount Awarded:** \$44,400.00

**Grantee Contact:** Mr. Bruce Belluschi

**CalRecycle Grant Manager:** When Kwon

**Project Summary:** CalRecycle has edited the following summary to reflect the approved grant project: This is a fully permitted HHW collection and storage facility. Facility was built in 1982 as a fire station. The former engine bay is now the HHW operations area and has a concrete floor that has developed several cracks over the years. Seal concrete floor with an epoxy resin.

*Total Awarded for County: \$44,400.00*

**Grant Count:** 21

**Grant Total for Selected Counties: \$1,000,000.00**
